- **Benrubi, ID.** Bilateral salpingectomy with ovarian retention and mortality from ovarian failure in women at low risk for ovarian cancer: a decision analysis. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 21, 2015; Jacksonville, FL.
- **Benrubi, ID.** Bilateral salpingectomy with ovarian retention and mortality from ovarian failure in women at low risk for ovarian cancer: a decision analysis. Paper presented at: 37th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 15, 2015; Jacksonville, FL.
- **Benrubi, ID.** Molecular markers in the management of CIN III: hope or false promise. Oral presentation. 77th Annual Meeting South Atlantic Association of Obstetricians and Gynecologists. Asheville, NC. January 19, 2015.
- **Benrubi, ID, Benrubi GI.** Patient safety education for medical students on the ob-gyn clerkship: a new approach. Round Table / Oral Presentation at 2015 APGO Martin L. Stone, MD Faculty Development Seminar. January 13, 2015. Palm Springs, CA.
- **Benrubi, ID.** Use of an electronic medical record system to increase compliance with obtaining HPB co-testing on cervical cytology specimens in women over the age of 30. Oral Presentation. Paper presented at: 36th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 16, 2014; Jacksonville, FL.
- **Benrubi, ID.** Use of an electronic medical record system to increase compliance with obtaining HPB co-testing on cervical cytology specimens in women over the age of 30. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 15, 2014; Jacksonville, FL.
- **Benrubi, GI, Benrubi ID, Best, KA.** Teach your children well: teaching residents how to teach medical students. Oral presentation at: UF Health 2014 Advances in Medical Education. Jacksonville, FL. May 07, 2014
- **Benrubi, GI, Benrubi ID, Best, KA.** Teach your children well: teaching residents how to teach medical students. Poster presentation UF Health 2014 Advances in Medical Education. Jacksonville, FL. May 15, 2014
- **Benrubi, GI, Benrubi ID, Best, KA.** Teach your children well: teaching residents how to teach medical students. Workshop presentation at: 2014 APGO Martin L. Stone, MD Faculty Development Seminar, "The Path to Wellness: A Medical Education Checkup". Manalapan, FL. January 12, 2014
- **Benrubi, ID.** The Unwanted Tube: Salpingectomy for Risk Reduction? Review of Literature and Decision Analysis. Oral presentation. 76th Annual Meeting South Atlantic Association of Obstetricians and Gynecologists. Lake Buena Vista, FL. January 20, 2014.
- **Benrubi ID.** The Unwanted Tube: Salpingectomy for Risk Reduction? Review of Literature and Decision Analysis. Oral presentation. 76th Annual Meeting South Atlantic Association of Obstetricians and Gynecologists. Lake Buena Vista, FL. January 22, 2013.
- **Benrubi ID.** Ovarian cancer screening: new modalities, new realities? Oral presentation. 75th Annual Meeting South Atlantic Association of Obstetricians and Gynecologists. White Sulphur Springs, WV. January 20, 2012.
- **Bhogal, M.** Partial mole with fetal triploidy as cause for severe HELLP at 16 weeks gestation. Oral Presentation. Paper presented at: 36th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 16, 2014; Jacksonville, FL.
- **Bhogal, M.** Partial mole with fetal triploidy as cause for severe HELLP at 16 weeks gestation. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 15, 2014; Jacksonville, FL.
- **Bhogal, M.** A review and updates: PAP & colposcopy guidelines when to refer. Oral Presentation. ARNP Lecture Series at University of Florida College of Medicine - Jacksonville. Jacksonville, FL. August 14, 2013.
- **Boots, A.** Is there a difference in maternal and perinatal outcome during the months of July and August at an obstetrics and gynecology training program? a retrospective analysis. Oral Presentation. Paper presented at: 36th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 16, 2014; Jacksonville, FL.
- **Boots, A.** Is there a difference in maternal and perinatal outcome during the months of July and August at an obstetrics and gynecology training program? a retrospective analysis. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 15, 2014; Jacksonville, FL.
- **Boots, A.** The Short-Term Prediction of Preterm Birth in Symptomatic Patients: A Systematic Review and Diagnostic Meta-Analysis. Oral Presentation. 2013 Annual District Meeting of the American College of Obstetrics and Gynecology. Palm Beach, FL. August 16, 2013
- **Boots A.** The Short-Term Prediction of Preterm Birth in Symptomatic Patients: A Systematic Review and Diagnostic Meta-Analysis. Invited lecturer. Department of Obstetrics and Gynecology at Detroit Medical Center / Wayne State University. Detroit, MI. July 19, 2013.

- **Boots, A.** The short-term prediction of preterm birth in symptomatic patients: a systematic review and diagnostic meta-analysis. Oral Presentation. Paper presented at: 35th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 17, 2013; Jacksonville, FL.
- **Boots, A.** The short-term prediction of preterm birth in symptomatic patients: a systematic review and diagnostic meta-analysis. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 16, 2013; Jacksonville, FL.
- **Bowers, D.** Hysteroscopic endometrial resection versus global ablation with the Novasure system: does one lead to more surgery? Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 21, 2015; Jacksonville, FL.
- **Bowers, D.** Hysteroscopic endometrial resection versus global ablation with the Novasure system: does one lead to more surgery? Paper presented at: 37th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 15, 2015; Jacksonville, FL.
- **Bowers, D.** Gastroschisis: a systematic review of ultrasound markers. Oral Presentation. Paper presented at: 36th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 16, 2014; Jacksonville, FL.
- **Bowers, D.** Gastroschisis: a systematic review of ultrasound markers. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 15, 2014; Jacksonville, FL.
- **Bowers, DM.** Rapid response shoulder dystocia. Oral Presentation. Paper presented at: 35th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 17, 2013; Jacksonville, FL.
- **Brown L.** Surgical Disasters- Complications of Repeat Cesarean Deliveries. Oral presentation. Pathways to Clinical Excellence 2011 – ACOG.
- **Brown L.** The "Missing Missed Abortion," <http://www.medscape.com/obgyn>. Updated November 12, 2010.
- **Brown, S.** A comparison of medical record documentation of obstetric patients' psychiatric history and risk factors for perinatal depression, before and after implementation of a patient psychiatric history questionnaire. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 21, 2015; Jacksonville, FL.
- **Brown, S.** A comparison of medical record documentation of obstetric patients' psychiatric history and risk factors for perinatal depression, before and after implementation of a patient psychiatric history questionnaire. Paper presented at: 37th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 15, 2015; Jacksonville, FL.
- Invited Presentations (Speaker): **Burnett, E.** Is the use of the rapid Group B Strep test more cost effective than empirically treating all patients whose GBS status is unknown? Oral Presentation. UF & Shands OB/Gyn research day. Jacksonville, FL. May 2009
- Invited Presentations (Speaker): **Burnett, E.** Updated review of prospective/retrospective outcomes and complications with the use of synthetic mesh for reconstruction of anterior and posterior vaginal prolapse in a single institution. Oral presentation. UF & Shands OB/Gyn research day. Jacksonville, FL. May 2010
- Invited Presentations (Speaker): **Burnett, E.** Updated review of prospective/retrospective outcomes and complications with the use of synthetic mesh for reconstruction of anterior and posterior vaginal prolapse in a single institution. Oral presentation. American Urological Assoc. San Francisco. May 2010
- Poster Presentation. **Burnett, E.** Updated review of prospective/retrospective outcomes and complications with the use of synthetic mesh for reconstruction of anterior and posterior vaginal prolapse in a single institution. - **Caminero, S.** Do uterine leiomyomata cause postmenopausal bleeding? a retrospective review. Oral Presentation. Paper presented at: 35th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 17, 2013; Jacksonville, FL.
- **Caminero, S.** Do uterine leiomyomata cause postmenopausal bleeding? a retrospective review. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 16, 2013; Jacksonville, FL.
- **Caminero, S.** Vaginal progesterone for the prevention of preterm birth among high risk patients: a systematic review and meta-analysis of randomized controlled trials. Oral presentation. 75th Annual Meeting South Atlantic Association of Obstetricians and Gynecologists. White Sulphur Springs, WV. January 22, 2013.
- **Caminero, S.** Mature cystic teratoma producing human chorionic gonadotropin: a case report and review of the literature. Oral presentation. 75th Annual Meeting South Atlantic Association of Obstetricians and Gynecologists. White Sulphur Springs, WV. January 22, 2013.
- **Cartechine, R.** A comparison of alternate antibiotic regimens in management of premature preterm rupture of fetal membranes. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 21, 2015; Jacksonville, FL.
- **Cartechine, R.** A comparison of alternate antibiotic regimens in management of premature preterm rupture of fetal membranes. Paper presented at: 37th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 15, 2015; Jacksonville, FL.

- **Cartechine, R.** Placenta precreta as a cause of uterine dehiscence in the early second trimester. Oral Presentation. Paper presented at: 36th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 16, 2014; Jacksonville, FL.
- **Cartechine, R.** Placenta precreta as a cause of uterine dehiscence in the early second trimester. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 15, 2014; Jacksonville, FL.
- **Cartechine, R.** Effect of improving patient education on contamination rates of clean catch urine samples in an urban obstetric clinic. Oral Presentation. Paper presented at: 35th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 17, 2013; Jacksonville, FL.
- **Cartechine, R.** Effect of improving patient education on contamination rates of clean catch urine samples in an urban obstetric clinic. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 16, 2013; Jacksonville, FL.
- **Challapalli, P.** Maternal and perinatal outcomes in women with pre-eclampsia: impact of urinary calcium. Oral Presentation. Paper presented at: 36th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 16, 2014; Jacksonville, FL.
- **Challapalli, P.** Maternal and perinatal outcomes in women with pre-eclampsia: impact of urinary calcium. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 15, 2014; Jacksonville, FL.
- **Challapalli, P.** Hypocalcuria in Pre-Eclampsia: A Systematic Review and Meta-Analysis. Oral presentation. 76th Annual Meeting South Atlantic Association of Obstetricians and Gynecologists. Lake Buena Vista, FL. January 22, 2014.
- **Challapalli, P.** Hypocalciuria in pre-eclampsia: a systematic review and meta-analysis. Oral Presentation. Paper presented at: 35th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 17, 2013; Jacksonville, FL.
- **Challapalli, P.** Hypocalciuria in pre-eclampsia: a systematic review and meta-analysis. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 16, 2013; Jacksonville, FL.
- **Challapalli, P.** Hypocalcuria in Pre-Eclampsia: A Systematic Review and Meta-Analysis. Oral presentation. 76th Annual Meeting South Atlantic Association of Obstetricians and Gynecologists. Lake Buena Vista, FL. January 19-22, 2013.
- **Dalati D.** Carbon copies in a digital age: how much money is saved by eliminating carbon copies? Poster presentation. University of Florida- Jacksonville Research Day, Jacksonville, FL. May 2010.
- **Dhanani, M.** Inguinal hernias in women with chronic pelvic pain: uncommon or unrecognized? Oral Presentation. Paper presented at: 35th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 17, 2013; Jacksonville, FL.
- **Dhanani, M.** Inguinal hernias in women with chronic pelvic pain: uncommon or unrecognized? Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 16, 2013; Jacksonville, FL.
- **Djapri, C.** Fetal death at or after 28 weeks' gestation: opportunities for quality improvement. Paper presented at: 37th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 15, 2015; Jacksonville, FL.
- **Djapri, C.** Fetal death at or after 28 weeks' gestation: opportunities for quality improvement. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 21, 2015; Jacksonville, FL.
- **Djapri, C.** Prenatal discussion of contraception - is there a good time? Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 15, 2014; Jacksonville, FL.
- **Djapri, C.** Prenatal discussion of contraception - is there a good time? Oral Presentation. Paper presented at: 36th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 16, 2014; Jacksonville, FL.
- **Esquivel, P.** Does gain of the 3q26 and 5p15 region in cervicovaginal liquid-based pap preparations predict poor outcome in cervical cancer patients? Oral Presentation. Paper presented at: 36th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 16, 2014; Jacksonville, FL.
- **Esquivel, P.** Does gain of the 3q26 and 5p15 region in cervicovaginal liquid-based pap preparations predict poor outcome in cervical cancer patients? Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 15, 2014; Jacksonville, FL.
- **Haddock, A.** Postpartum hemorrhage: improving prevention and management of the most preventable cause of maternal mortality worldwide. Oral Presentation. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 21, 2015; Jacksonville, FL.
- **Haddock, A.** Postpartum hemorrhage: improving prevention and management of the most preventable cause of maternal mortality worldwide. Oral Presentation. Paper presented at: 37th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 15, 2015; Jacksonville, FL.
- **Hammers, A.** Chronic lymphocytic leukemia during pregnancy: a case report and review of the literature. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 21, 2015; Jacksonville, FL.

- **Hammers, A.** Chronic lymphocytic leukemia during pregnancy: a case report and review of the literature. Paper presented at: 37th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 15, 2015; Jacksonville, FL.
- **Hammers, A.** Neonatal safety of indomethacin tocolysis: an updated systematic review with meta-analysis. Oral presentation. 77th Annual Meeting South Atlantic Association of Obstetricians and Gynecologists. Asheville, NC. January 21, 2015.
- **Hammers, A.** Re-assessing the neonatal safety of indometacin tocolysis - an updated review with meta-analysis. Oral Presentation. Paper presented at: 36th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 16, 2014; Jacksonville, FL.
- **Hammers, A.** Re-assessing the neonatal safety of indometacin tocolysis - an updated review with meta-analysis. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 15, 2014; Jacksonville, FL.
- **Hammers, A.** Assessing compliance and practice patterns among healthcare providers regarding the new 2012 cervical cancer screening guidelines – a preliminary report. Oral Presentation. Paper presented at: 35th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 17, 2013; Jacksonville, FL.
- **Hammers, A.** Assessing compliance and practice patterns among healthcare providers regarding the new 2012 cervical cancer screening guidelines – a preliminary report. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 16, 2013; Jacksonville, FL.
- **Hylton, C.** Antiplatelet and antithrombotic agents in the prevention of pre-eclampsia: a network meta-analysis. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 21, 2015; Jacksonville, FL.
- **Hylton, C.** Antiplatelet and antithrombotic agents in the prevention of pre-eclampsia: a network meta-analysis. Paper presented at: 37th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 15, 2015; Jacksonville, FL.
- **Hylton, C.** The role of group prenatal care in managing diabetes. Oral Presentation. Paper presented at: 36th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 16, 2014; Jacksonville, FL.
- **Hylton C.** The role of group prenatal care in managing diabetes. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 15, 2014; Jacksonville, FL.
- **Iyoyo, M.** Cervical cancer with complete uterine prolapse in an elderly patient: a case report and review of the literature. Oral Presentation. Paper presented at: 36th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 16, 2014; Jacksonville, FL.
- **Iyoyo, M.** Cervical cancer with complete uterine prolapse in an elderly patient: a case report and review of the literature. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 15, 2014; Jacksonville, FL.
- **Jaffree, L.** Calcium versus low-dose aspirin for the prevention of pre-eclampsia: an indirect meta-analysis. Poster presented at: Institutional Research Day, University of Florida College of Medicine – Jacksonville; May 21, 2015; Jacksonville, FL.
- **Jaffree, L.** Calcium versus low-dose aspirin for the prevention of pre-eclampsia: an indirect meta-analysis. . Paper presented at: 37th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 15, 2015; Jacksonville, FL.
- **Jafree, L.** Integrating a physician sign-out tool into the electronic medical record: a qualitative look at the impact on patient care and efficiency. Oral Presentation. Paper presented at: 36th Annual OBGYN Resident Research Symposium, University of Florida College of Medicine – Jacksonville; May 16, 2014; Jacksonville, FL.
