

Save the Date!! Join forces with HEAL for the First Coast Zoo Walk for Autism,

Sunday, April 25,

at the Jacksonville Zoo and Gardens. Last April during Autism Awareness month, HEAL held its inaugural Zoo Walk for Autism. Over 1,000 participants came out in support and raised funds to assist those in our community with Autism. The teams raised over \$70,000, with the proceeds going to benefit Autism programs and education on the First Coast.

Tickets for the event are \$15 per person ages 13 and up and FREE for kids 12 and under. The ticket purchase allows you to join the HEAL Autism walk and enjoy the entire day at the Zoo and Gardens. Registration will open at 7:30 am and the Walk begins at 8:30 AM. Radio Disney will be back at the finish line to spin the wheel for prizes!

Special Thanks to HEAL's Hero's The PLAYERS Championship, First Coast News Anchor Patty Crosby, Jacksonville Jaguar players and ROAR Cheerleaders, who made this walk fun and a great success. Registration will open soon, so start thinking about forming your team!
