**Benefiting Families and Individuals
With Autism**

On Saturday, March 6, 2010, join us for the third annual **Ride with me for Autism Bike Tour**. This beautiful bike ride begins and ends in **along the Jacksonville-Baldwin Rail Trail in Jacksonville, Florida**. This event raises funds and awareness for the **Jessica Green Foundation for autism support**. The ride has **choices of 10-mile, 29-mile, and 100k/62-mile bicycling routes, as well as shorter fun rides**, so the entire family can come out and participate. A healthy breakfast is served for all riders. Following the rides, come and join us for good food and music. There will be vendors and ToeKnee the clown will be there to send the fun riders on their way.
