

## Department of Surgery

### Peer Reviewed Publications / Journal Articles/ Review Articles, Chapters and/or Textbooks

#### 2013

- **Nussbaum M** (editor). Fischer, J.E. (series editor). Master Techniques in Surgery: Gastric Surgery. Philadelphia, PA; Lippincott Williams and Wilkins; 2013
- **Nussbaum M, Dobbertien M.** Proximal gastric vagotomy. In Nussbaum M, ed. Master Techniques in General Surgery: Stomach. Philadelphia, PA; Lippincott Williams and Wilkins; 2013:89-99
- **Nussbaum M, Chavda K.** Giant duodenal ulcer. In Nussbaum M, ed. Master Techniques in Surgery: Gastric Surgery. Philadelphia, PA; Lippincott Williams and Wilkins; 2013:147-51
- **Nussbaum M,** Durrani N. Gastric, duodenal, and small intestinal fistula. In Yeo CJ, McFadden DW, eds. Shackelford's Surgery of the Alimentary Tract, Volume I, 7th Ed. Philadelphia, PA; Elsevier; 2013:929-52
- **Ahmed B, Volpe C.** Subtotal gastrectomy and D2 resection. In Nussbaum M (editor). Master Techniques in Surgery: Gastric Surgery. Philadelphia, PA; Lippincott Williams & Wilkins; 2013:171-84
- **Ahmed B, Sharma S.** Laproscopic patch of perforated duodenal ulcer. In Nussbaum M (editor). Master Techniques in Surgery: Gastric Surgery. Philadelphia, PA; Lippincott Williams & Wilkins; 2013:115-22
- **Sharma S,** Saber A. Single-incision laparoscopic bariatric surgery. In Nussbaum M (editor). Master Techniques in Surgery: Gastric Surgery. Philadelphia, PA; Lippincott Williams & Wilkins; 2013:345-57

#### 2012

- **D'Agostino H, Nussbaum M.** Radical transsternal thymectomy. In Sugarbaker DJ, et al, eds. Adult Chest Surgery, 2nd Ed. New York, NY; McGraw-Hill Medical; (in press)
- **Kerwin A, Nussbaum M.** Nutrition support for organ transplantation in critical care. In Faber P, Siervo M., eds. Nutrition in Critical Care. Cambridge, UK; Cambridge University Press; (in press)
- **Reader M,** McIntyre C, **Cheshire D, Burns J.** An evaluation of video laryngoscopy techniques compared to direct laryngoscopy in pre-hospital helicopter emergency medical personnel. Air Medical Journal (in press)
- **Osian O, Khawaja F,** and Martin T. Sinus of valsalva aneurysm. In Kenneth L. Franco, Vinod H, Thourani, eds. Cardiothoracic Surgery Review. Philadelphia, PA; Lippincott Williams & Wilkins; 2012: 462-4

- **Khawaja F, Osian O**, Martin T, Hess P. Infected thoracic aortic graft. In Kenneth L. Franco, Vinod H Thourani, eds. Cardiothoracic Surgery Review. Philadelphia, PA; Lippincott Williams & Wilkins; 2012: 540-2
- **Khawaja F, Osian O**, Hess P, Martin T. Aortic prosthetic valve endocarditis. In Kenneth L. Franco, Vinod H Thourani, eds. Cardiothoracic Surgery Review. Philadelphia, PA; Lippincott Williams & Wilkins; 2012: 252-4
- Ferraris V, **Edwards F**, Shahian D. Assessment of cardiac operations to improve performance. In Cohn LH, ed. Cardiac Surgery in the Adult, 4<sup>th</sup> Ed. New York, NY; McGraw-Hill; 2012:171-97
- **Scott K, Chesire D, Burns J, Nussbaum M**. Proficiency of surgical faculty and residents with ethical dilemmas: is modeling enough? J Surg Educ 2012 Nov-Dec;69(6):780-4
- Leaphart C, Gonwa T, Mai M, et al (includes **Tepas III J**). Formal quality improvement curriculum and DMAIC method results in interdisciplinary collaboration and process improvement in renal transplant patients. J Surg Res 2012 Sep;177(1):7-13
- **Tabrizi M, Schinco M, Tepas J**, Hwang J, Spiwak E, **Kerwin AJ**. Inhaled prostacyclin improves oxygenation in patients with severe hypoxemia. J Trauma Acute Care Surg. 2012 Aug;73(2):503-6
- **Bhullar I, Zamora I, Tepas III J, Pieper P**. They are not just little adults: Angio-embolization improves salvage of high grade IV-V blunt splenic injuries in adults, but not in pediatric patients. Am Surg 2012 Aug;78(8):904-6
- **Dennis J**, Muluk S, Schenk W, Preesch I, Saha S. A prospective randomized study comparing fibrin sealant to manual compression for the treatment of anastomotic suture-hole bleeding in expanded polytetrafluoroethylene (ePTFE) grafts. J Vasc Surg 2012 Jul;56(1):134-41
- **Bhullar I, Frykberg E**, Siragusa D, **Chesire D**, Paul J, **Tepas III J, Kerwin A**. Age does not affect outcomes of nonoperative management of blunt splenic trauma. J Am Coll Surg 2012 Jun;214(6):958-64
- Meghoo C, **Dennis J**, Tuman C, Fang R. Diagnosis and management of evacuated casualties with cervical vascular injuries resulting from combat-related explosive blasts. J Vasc Surg 2012 May 55(5):1329-36
- **Bhullar I, Frykberg E**, Siragusa D, **Chesire D**, Paul J, **Tepas III J, Kerwin A**. Selective angiographic embolization of blunt splenic traumatic injuries decreases failure rate of nonoperative management. J Trauma Acute Care Surg 2012 May;72(5):1127-34
- **Peters T**. Good news regarding race and kidney transplant access in America. Am J Transplant 2012 Apr;12(4):810-1
- Friedman A, **Peters T**, Ratner L. Regulatory failure leading to deaths of live kidney donors. Am J Transplant 2012 Apr;12(4): 829-34
- Weintraub W, Grau-Sepulveda M, Weiss J, et al (includes **Edwards F**). Survival after PCI or CABG in older patients with stable multivessel coronary disease: results from the ACCF-STS database collaboration on the comparative effectiveness of revascularization strategies (ASCERT). N Engl J Med 2012 Mar;10.1056/NEJMoa1110717

- Holmes D, Mack M, Kaul S, et al (**includes Edwards F**). 2012 ACCF/AATS/SCAI/STS expert consensus document on transcatheter aortic valve replacement. *J Am Coll Cardiol* 2012 Mar;59:1200-54
- Shahian D, Grover F, Mayer J, et al (**includes Edwards F**). Long-term survival following coronary artery bypass grafting surgery: a prediction model from The Society of Thoracic Surgeons National Database (The ASCERT study). *Circulation* 2012 Mar;125(12):1491-500
- Weintraub W, Grau-Sepulveda M, Weiss J, et al (**includes Edwards F**). A prediction model for long term mortality after percutaneous coronary intervention in older adults: results from the National Cardiovascular Data Registry. *Circulation* 2012 Mar;125(12):1501-10
- Kumar N, Crocker T, Smith T, et al (**includes Williams C**). Challenges and potential solutions to meeting accrual goals in a Phase II chemoprevention trial for prostate cancer. *Contemp Clin Trials* 2012 Mar;33(2):279-85. Epub 2011 Nov 11
- Mondello S, Akinyi L, Buki A, et al (**includes Tepas J**). Clinical utility of serum levels of ubiquitin c-terminal hydrolase as a biomarker for severe traumatic brain injury. *Neurosurgery* 2012 Mar;70(3):666-75
- Matas A, **Peters T** (Member of the Working Group on Incentives for Living Donation), et al. Incentives for organ donation: proposed standards for an internationally acceptable system. *Am J Transplan.* 2012 Feb;12(2):306-12
- **Williams C, Costa J, Mandia S**, Henderson R, Marino R, Mendenhall N. Urethral catheterization facilitates preradiation fiducial marker placement in postprostatectomy patients. *J Endourol* 2012 Feb 3. [Epub ahead of print]
- **Truong T**, Arnaoutakis D, **Awad Z**. Laparoscopic hybrid NOTES liver resection for metastatic colorectal cancer. *Surg Laparosc Endosc Percutan Tech* 2012 Feb;22(1):e5-7
- Hoppe B, Nichols R, Henderson R, et al (**includes Williams C, Costa J**). Erectile function, incontinence, and other quality of life outcomes following proton therapy for prostate cancer in men 60 years old and younger. *Cancer* 2012 Jan 17. [Epub ahead of print]
- **Griffin R**, Villas B, Davis C, **Awad Z**. Carcinoma of the tail of the pancreas presenting as acute abdomen. *JOP* 2012 Jan 10;13(1):58-60

### **Posters/Abstracts/Presentations:**

#### **2012**

- **Nussbaum M**. The Application of Robotic Technology in Minimally Invasive Surgery. Annual Scott Woods Lecture, 7<sup>th</sup> Annual David Fromm Research and Wayne State Surgical Alumni Day, Wayne State University School of Medicine; Detroit, MI; October 2012.
- **Nussbaum M**. Laparoscopic Management of Common Bile Duct Stones. Professorial Lecture at the 38<sup>th</sup> Annual Medical Education Seminar of the Society of Philippine Surgeons in America; Orlando, FL; July 2012.
- **Becker M**, von Roemeling C, Copland J, **Williams C**. GSK3 $\beta$  as a therapeutic target in bladder cancer. Poster presented at: AACR 103rd Annual Meeting 2011; Chicago, IL; April 2012.
- **Burns J**. Damage control surgery and resuscitation. Oral presentation at: 2012 Critical Care Transport Medicine Conference (CCTMC); Nashville, TN; April 2012.
- **Burns J**. Abdominal compartment syndrome and the open abdomen. Oral presentation at: 2012 Critical Care Transport Medicine Conference (CCTMC); Nashville, TN; April 2012.

- **Reader M, Chesire D, McIntyre C, Burns J.** Video laryngoscopy in the management of prehospital airways by helicopter emergency medical personnel. Poster presented at: 2012 Critical Care Transport Medicine Conference (CCTMC); Nashville, TN; April 2012.
- **Roberts E, Johnson D, Bhullar I.** Anti-seizure prophylaxis is unnecessary during the first seven days after traumatic brain injury. Oral presentation at: International Brain Injury Association 9<sup>th</sup> World Congress on Brain Injury; Edinburgh, Scotland; March 2012.
- **Tepas J.** Patient safety symposium. Oral presentation at: Naval Hospital; Jacksonville, FL; March 2012.
- **Scott K, Chesire D, Kerwin A.** Psychological prophylaxis: a unique, collaborative care model inclusive of psychological support services is integral to overall trauma care and injury prevention. Oral presentation at: 1<sup>st</sup> International Conference on Innovation and Entrepreneurship in Health (in cooperation with All India Institute of Medical Sciences, University of Pretoria, Indiana University and University of Oklahoma); Oklahoma City, OK; March 2012.
- **Chesire D, Maher K, Scott K.** An integrative collaborative service-delivery model for patients with TBI and SCI. Poster presented at: 9<sup>th</sup> Bi-Annual World Conference on brain Injury; Edinburgh, Scotland; March 2012.
- **Scott K, Chesire D.** Proficiency of surgical faculty and residents with ethical dilemmas: is modeling enough? Oral presentation at: 2012 National Conference of the Association of Program Directors in Surgery; San Diego, CA; March 2012.
- **Becker M, Copland J, Williams C.** Enhancing mTOR targeted therapy in bladder cancer [abstract #896]. Presented by Dr. Becker at: 103<sup>rd</sup> Annual Meeting of the American Association for Cancer Research; Chicago, IL; March 2012.
- **Burns J.** Damage control surgery and resuscitation. Oral presentation at: Student Osteopathic Surgical Association (SOSA) Annual Spring Meeting; Blacksburg, VA; March 2012.
- **Scott K, Chesire D, Burns J, Nussbaum M.** Proficiency of surgical faculty and residents with ethical dilemmas: is modeling enough? Oral presentation at: Surgical Education Week 2012. San Diego; CA; March 2012.
- **McNab A, Burns J, Bhullar I, Chesire D, Kerwin A.** An analysis of shock index as an indicator of resource utilization and trauma center disposition [abstract]. Journal of Surgical Research; 2012 Feb;172(2):319
- **McNab A, Burns J, Bhullar I, Chesire D, Kerwin A.** An Analysis of Shock Index as an Indicator of Resource Utilization and Trauma Center Disposition. Oral presentation at: 7<sup>th</sup> Annual Academic Surgical Congress; Las Vegas, NV; February 2012.
- Hoppe B, Nichols R, Henderson R, et al (**includes Williams C, Costa J**). Erectile function following proton therapy for prostate cancer in men 60 years and younger [abstract #89149]. Presented by Dr. Hoppe at: 54th Annual Meeting of the American Society for Therapeutic Radiology and Oncology (ASTRO); Boston, MA; February 2012.
- Henderson R, Hoppe B, Nichols R, et al (**includes Williams C**). Image-guided proton therapy for low- and intermediate-risk prostate cancer: 3-year results of 2 prospective

trials [Abstract #89635]. American Society for Clinical Oncology 2012 Genitourinary Cancers Symposium; San Francisco, CA; February 2012.

- **Hoang B, Bhullar I.** Age does not affect mortality of blunt traumatic brain injury. Poster presented at: 2012 Society of Critical Care Medicine Congress; Houston, TX; February 2012.
- **Kilkenny J.** Skin cancer – not just a summer problem. Oral presentation at: WJXT Television Interview; Jacksonville, FL; February 2012.
- **Sharma S.** Conducted the debate and consensus meet to establish guidelines for metabolic surgery. Metabolic Surgery Consensus Summit; Bangalore, India; February 2012.
- McGinn G, Gerdik C, **Schincio M.** Identification and intervention of patients at risk: a rapid response team initiative. Poster presented at: 41<sup>st</sup> Annual Society of Critical Care Medicine Meeting; San Diego, CA; February 2012.
- **Jones A, Schincio M.** Liver failure and critical injury is a deadly combination. Poster presented at: Southeastern Surgical Congress Annual Meeting; Birmingham, AL; February 2012.
- **Schincio M,** Block E, Pappas P, Garcia A, Moore D, et al. Surgical emergencies during pregnancy. Poster presented at: 25th Annual Scientific Assembly of The Eastern Association for the Surgery of Trauma; Lake Buena Vista, FL; January 2012.
- **Tabrizi M, Schincio M, Tepas J.** Inhaled prostacyclin improves oxygenation in patients with severe hypoxemia. Poster presented at: 25th Annual Scientific Assembly of The Eastern Association for the Surgery of Trauma; Lake Buena Vista, FL; January 2012.
- **Hoang B, Vu J, Matteo J.** Endovascular repair of an axillary artery aneurysm: a case report. Poster presented at: The International Symposium on Endovascular Therapy; Miami, FL; January 2012.
- **Peters T.** The most challenging problem I ever had and how I solved it. Oral presentation at: ASTS 12<sup>th</sup> Annual State of the Art Winter Symposium; Miami, FL; January 2012.

### 2011

- **Hoang B, Bhullar I.** Age does not affect mortality of blunt traumatic brain injury. Poster presented at: Duval County Medical Society Conference; Jacksonville, FL; December 2011.
- **Hoang B, Vu J, Matteo J.** Endovascular repair of an axillary artery aneurysm: A case report. Poster presented at: Duval County Medical Society Conference; Jacksonville, FL; December 2011.
- **McNab A, Burns J, Bhullar I, Chesire D, Kerwin A.** An analysis of shock index as an indicator of resource utilization and trauma center disposition. Oral presentation at: 2011 Florida Committee on Trauma Resident Paper Competition; Miami, FL; November 2011.

- **McNab A, Burns J, Bhullar I, Chesire D, Kerwin A.** An analysis of shock index as an indicator of resource utilization and trauma center disposition. Poster presented at: 2011 Florida Committee on Trauma Resident Paper Competition; Miami, FL; November 2011.
- **Hoang B, Bhullar I.** Age does not affect mortality of blunt traumatic brain injury. Oral presentation at: Florida Committee on Trauma (FCOT) Annual Conference; Miami, FL; November 2011.
- **Frykberg E.** Disaster preparedness: development of a major incident hospital in the Netherlands, GH Marres, MD. Oral presentation at: Utrecht Medical Center; Utrecht, Netherlands; November 2011.
- **Frykberg E.** Trauma systems and disaster preparedness; what the future holds in disaster management. Oral presentation at: Utrecht Disaster Symposium, Spoorwegmuseum; Utrecht, Netherlands; November 2011.
- **Roberts E, Johnson D, Bhullar I.** Anti-seizure prophylaxis is unnecessary during the first seven days after traumatic brain injury. Oral presentation at: Florida Committee on Trauma Annual Meeting; Miami, FL; November 2011.
- **Peters T.** Current controversies in kidney transplantation. Oral presentation at: ESRD Network 7 Annual Meeting; Tampa, FL; November 2011.
- **Truong T, Malave C, Awad Z.** Laparoscopic hybrid NOTES liver resection for metastatic colorectal cancer. Video presentation at: 97th Annual American College of Surgeons Clinical Congress; San Francisco, CA; October 2011.
- **Bhullar I, Griffin R, Kerwin A, Tepas J, Frykberg E, et al.** Age is not a barrier to successful nonoperative management of blunt splenic trauma in adults. Poster presented at: American College of Surgeons Clinical Congress, San Francisco, CA; October 2011.
- **Schingo M.** Challenges in surgical critical care: monitoring and ventilation. Poster presented at: American College of Surgeons Clinical Congress; San Francisco, CA; October 2011.
- **Al-Rawi A.** Integrated health care (i.e. ACO) if primary care is not efficient, will the surgeon be left holding the bag. Poster presented at: American College of Surgeons; San Francisco, CA; October 2011.
- **Peters T.** New rules for wait list prioritization. Oral presentation at: ESRD Network 8 Annual Meeting; Nashville, TN; October 2011.
- **Burns J.** Damage control surgery and resuscitation. Oral presentation at: 2011 Annual Clinical Assembly of Osteopathic Surgeons; Atlanta, GA; September 2011.
- **Burns J.** Abdominal Compartment Syndrome and the Open Abdomen. Oral presentation at: 2011 Annual Clinical Assembly of Osteopathic Surgeons; Atlanta, GA; September 2011.
- **Burns J.** Trauma: Not just life in the ER. Oral presentation at: the Student Osteopathic Surgical Association (SOSA) Annual Fall Conference; Atlanta, GA; September 2011.
- **Costa J, Goldwasser S.** Surgical outcomes with a single mesh kit for female genital prolapse. Oral presentation at: Annual International Continence Society meeting; Glasgow, Scotland; September 2011.

- **Peters T.** Quality and safety in living organ donation: morbidity and mortality. Oral presentation at: American Foundation for Donation and Transplantation Annual Meeting; Chicago, IL; September 2011.
- **Peters T.** History of the American Society of Transplant Surgeons. Oral presentation at: ASTS Annual Fellows Symposium; Tucson, AZ; September 2011.
- **Bhullar I, Frykberg E, Tepas J.** Angioembolization improves the success of nonoperative management of blunt splenic trauma in adults. Poster presented at: AAST Annual Meeting; Chicago, IL; September 2011.
- **Nussbaum M.** The Application of Robotic Technology in Minimally Invasive Surgery. Keynote Address, Florida Society of General Surgeons Annual Meeting; Orlando, FL; September 2011.
- **El-Sheikh O.** Percutaneous treatment of free air-induced secondary abdominal compartment syndrome following percutaneous endoscopic gastrostomy. Poster presented at: 5th World Congress on Abdominal Compartment Syndrome; Orlando, FL; August 2011.
- **Kilkenny J.** Skin cancer and tanning beds. Oral presentation at: WJXT Television Interview; Jacksonville, FL; July 2011.
- **Kilkenny J.** Skin cancer and sun safety. Oral presentation at: CSX Corporate Presentation; Jacksonville, FL; July 2011.
- **Sharma S.** Single incision bariatric surgery. Oral presentation at: American Society of Bariatric & Metabolic Surgery (ASMBS); Orlando, FL; June 2011.
- **Sharma S.** Flexible endoscopy, diagnostic & therapeutic for bariatric surgeons. Oral presentation at: American Society of Bariatric & Metabolic Surgery (ASMBS); Orlando, FL; June 2011.
- **Tucker K, Goldwasser S, Costa J.** Management and characteristics of vaginal mesh exposure, outcomes of a longitudinal database study [abstract]. Annual National Meeting of the American Urological Association; Washington, D.C.; May 2011.
- **Frykberg E.** Planning and training for a mass casualty response. Poster presented at: Westchester Disaster Symposium, Westchester Medical Center; Valhalla, NY; May 2011.
- **Sharma S.** Advances in metabolic surgery. Grand Rounds presented at: Monmouth Medical Society; Howell, NJ; April 2011.
- **Haan C, Godwin S.** Patient safety training in graduate medical education: study of alternative simulation methodologies. Workshop/small group session at: Association of American Medical Colleges Group on Resident Affairs 2011 spring meeting; Cleveland, OH; May 2011.
- **Friedman A, Peters T, Ratner L.** Preventable risk to living kidney donor safety persists. Oral presentation at: The American Transplant Congress Annual Meeting; Philadelphia, PA; May 2011.
- **Kucirka L, Peters T, Segev D.** Liver-related outcomes for kidney transplant recipients infected with hepatitis C. Oral presentation at: The American Transplant Congress Annual Meeting; Philadelphia, PA; May 2011.
- **Becker M, von Roemeling C, Copland J, Williams C.** GSK3 $\beta$  as a therapeutic target in bladder cancer. Poster presented at: AACR 102nd Annual Meeting 2011; Orlando, FL; April 2011.

- **Sharma S.** Single incision bariatric surgery. Oral presentation at: SAGES 2011 Annual Meeting; San Antonio, TX; April 2011.
- **Sharma S.** Single incision laparoscopic gastric bypass using EEA technique [abstract #33127]. SAGES 2011 Annual Meeting; San Antonio, TX; April 2011.

- **Peters T**. Expanding the donor pool: my soap box. Poster presented at: ASTS 11<sup>th</sup> Annual State of the Art Winter Symposium; Ft. Lauderdale, FL; January 2011.

## 2010

- **Tepas J**. Insurance status, not race, is a determinant of outcome from vehicular injury. Oral presentation at: 122<sup>nd</sup> Annual Meeting of the Southern Surgical Association; Palm Beach, FL; December 2010.
- **Scott K**. Enhancing family communication in the donation process. Oral presentation at: 2010 Southeast Region 3 Donation and Transplantation Alliance Webinar. December 2010.
- **Scott K**. Ethical considerations in pediatric mental health. Oral presentation at: North Florida Third Annual Pediatric Bioethics Conference, University of North Florida; Jacksonville, FL; November 2010.
- **Knofsky M, Burns J, Chesire D, Kerwin A**. Pediatric trauma patients are more likely to be discharged from the trauma center after arrival by helicopter emergency medical services. Oral presentation at: American College of Surgeons Committee on Trauma Region IV; Winston-Salem, NC; November 2010.
- Hoppe, **Costa J**. Toxicity following definitive treatment of prostate cancer with proton therapy in men <55 years old. Poster presented at: American Society for Radiation Oncology; San Diego, CA; November 2010.
- Jacobs J, **Edwards F**, Shahian D, et al. (includes **Haan C**). Successful linking of the STS database to social security data to compare survival at hospital discharge to the survival at one year after cardiac surgery. Poster presented at: Southern Thoracic Surgical Association 57th annual meeting; Orlando, FL; November 2010.
- **Huffman J**. Intensivist leadership roles in the four phases of care: catastrophic brain injury guidelines. Oral presentation at: The 6th National Learning Congress for the Donation and Transplantation Community of Practice. Dallas, TX; November 2010.
- **Bhullar I**. Higher hemoglobin levels during the first 48 hours of shock improve survival. Oral presentation at: Florida Committee on Trauma (FCOT) Meeting; Jacksonville, FL; October 2010.
- **Sharma S**. Single port laparoscopic surgery. Poster presented at: 96th Annual Clinical Congress of the American College of Surgeons; Washington, D.C.; October 2010.
- **Tabrizi M, Schinco M, Kerwin A**. Inhaled prostacyclin improves oxygenation in severe hypoxemia. Oral presentation at: Florida Committee on Trauma, American Association for the Surgery of Trauma; Orlando, FL; October 2010.
- Loper T, **Truong T**, Vu J, et al. Large superior mesenteric vein aneurysm: indications for conservative management versus endovascular or surgical repair. Poster presented at: Cardiovascular and Interventional Radiological Society of Europe Annual Meeting; Valencia Spain; October 2010.

- **Knofsky M, Burns J, Chesire D, Kerwin A.** Pediatric trauma patients are more likely to be discharged from the trauma center after arrival by helicopter emergency medical services. Poster presented at: Florida Committee on Trauma Resident Paper Competition; Jacksonville, FL; October 2010. First Place Winner.
- **Tabrizi M, Schinco M, Kerwin A.** Inhaled prostacyclin improves oxygenation in severe hypoxemia. Poster presented at: Florida Committee on Trauma/ACS; Orlando, FL; October 2010.
- **Garcia A, Schinco M, Dennis J.** Characterization of pulmonary artery clots in high risk trauma patients: pulmonary embolus or primary thrombosis. Poster presented at: 69<sup>th</sup> Annual Meeting of the AAST; Boston, MA; September 2010.
- **Edwards F.** What is the relation between hospital volume and outcome? Poster presented at: Annual Meeting of the European Society for Cardio-Thoracic Surgery; Geneva, Switzerland; September 2010.
- Kizilbash S, **McNab A**, Kumar A, Cakan N. Changing face of diabetes mellitus in children. Poster presented at: The European Society for Pediatric Endocrinology 49<sup>th</sup> Annual Meeting; Prague, Czech Republic; September 2010.
- **Frykberg E.** Mass casualty triage: an evolution of concept and methodology. Poster presented at: The Halsted Society Annual Meeting; Nashville, TN; September 2010.
- **Garcia A, Dennis J, Schinco M.** Characterization of pulmonary artery clots in high risk trauma patients: pulmonary embolus or primary thrombosis? Poster presented at: American Association for the Surgery of Trauma; Boston, MA; September 2010.

- **Nussbaum M**. Maintenance of certification: what every surgeon should know. Visiting Professor, Department of Surgery Akron City Hospital; Akron, OH; January 2010.
- **Nussbaum M**. Laparoscopic management of paraesophageal hernias: managing the difficult hiatus. Visiting Professor, Department of Surgery Akron City Hospital; Akron, OH; January 2010.
- **Edwards F**. Clinical effectiveness and long-term outcomes of cardiac implants for aortic valve disease. Agency for Healthcare Research and Quality: Co-Investigator 2009-2010. Project ID: 20-DKE-13. HHSA290-2005-0032-I-TO2-WA3. \$450,000.

## 2009

- **Tepas J**. The trajectory of metabolic derangement in infants with necrotizing enterocolitis should drive timing and technique of surgical intervention. Oral presentation at: 121st Annual Meeting of the Southern Surgical Association; Hot Springs, VA; December 2009.
- Mendenhall N, Li Z, Morris C, et al. (**includes Williams C**). Early GI and GU toxicity in 3 prospective trials of proton therapy for prostate cancer. Oral presentation at: American Society for Therapeutic Radiology and Oncology (ASTRO) Meeting; Chicago, IL; November 2009.
- Nichols R, Morris C, Hoppe B, et al (**includes Williams C, Costa J**). Proton radiotherapy for prostate cancer is not associated with post treatment testosterone suppression. Oral presentation at: American Society for Therapeutic Radiology and Oncology (ASTRO) Meeting; Chicago, IL; November 2009.
- **Qureshi I**. Mixed flora: indications for therapy or early warning sign. Poster presented at: Annual of Meeting of Florida College of Trauma; Tampa, FL; November 2009.
- **Bennett K**, **Burns J**, **Kerwin A**. Schewanella putrefaciens: a rare human pathogen. Poster presented at: 2009 Annual Clinical Assembly of Osteopathic Surgeons; Chicago, IL; November 2009.
- **Frykberg E**. Invited participant at: NATO Advanced Training Course: Best way of training for mass casualty situations; Haifa, Israel; November 2009.

- **Peters T.** Kidney allocation. Poster presented at: The Florida ESRD Network 2009 Annual Forum; Tampa, FL; November 2009.
- Genuardi F, Zenni E, **Haan C**, Nuss R. Peer review of teaching program to enhance faculty teaching on a regional medical campus. Poster presented at: Association of American Medical Colleges annual meeting; Boston, MA; November 2009.
- Zenni E, Genuardi F, **Haan C**. Closing the loop of competency-based education: the link to performance improvement. Poster presented at: Association of American Medical Colleges annual meeting; Boston, MA; November 2009.
- **Peters T.** Kidney allocation. Oral presentation at: The Florida ESRD Network 2009 Annual Forum; Tampa, FL; November 2009.
- **Peters T.** Financial consideration in living donation. Oral presentation at: American Foundation for Donation and Transplantation Living Kidney Donation Conference; Nashville, TN; October 2009.
- **Frykberg E.** Disaster management lessons, terrorist bombings, triage, hospital disaster response. Poster presented at: Medical Disaster Response Symposium; Manchester, England; October 2009.
- **Qureshi I.** Does completion axillary node dissection after positive sentinel node biopsy affect therapeutic management of elderly cancer patients? Surgical forum presented at: 95th Annual Clinical Congress of the American College of Surgeons; Chicago, IL; October 2009.
- **Freshour A, Burns J.** Ileosigmoid knotting. Poster presented at: 68th Annual American College of Surgeons Meeting; Chicago, IL; October 2009.
- **Nussbaum M.** Surgical treatment of prolapse of the rectum. From the 1956 ACS Clinical Congress, William Altemeier, MD, FACS (deceased). Discussed at: 93rd Annual Clinical congress of the American College of Surgeons VE09-MCP: Movie Classics of the Past; New Orleans, LA; October 2009.
- **Peters T.** Current financial consideration in living donation. Oral presentation at: American Foundation for Donation and Transplantation Living Kidney Donation Conference; Nashville, TN; October 2009.
- **Huffman J, Gerdik C.** 2009 best practices: Shands Jacksonville donor council. Oral presentation at: The 5th National Learning Congress for the Donation and Transplantation Community of Practice; Dallas, TX; September 2009.
- **Awad Z.** A novel technique for laparoscopic seprafilm application. Poster presented at: Society of Laparoendoscopic Surgeons; Boston, MA; September 2009.
- **Qureshi I.** Regeneration of functional skeletal muscle using an acellular scaffold following massive tissue loss. Poster presented at: 2nd Tissue Engineering and Regenerative Medicine International Society (TERMIS) World Congress; Seoul, South Korea; September 2009.
- **Suresh A, Awad Z.** A novel technique for laparoscopic seprafilm application. Poster presented at: Society of Laparoscopic Surgeons Annual Meeting; Boston, MA; September 2009.
- Sites, **Costa J.** Correlation of greatest valsalva pressure with surgical outcomes after vaginal mesh repair. Oral presentation at: Association of Urogynecologic Surgeons annual national meeting; Hollywood, FL; September 2009.

- Goldwasser, **Costa J.** A novel technique for repair of anterior prolapse with the use of synthetic mesh. Oral presentation at: Association of Urogynecologic Surgeons annual national meeting; Hollywood, FL; September 2009.
- **Peters T.** Transplant 101: how do I get a transplant? Oral presentation at: AAKP 36<sup>th</sup> Annual Convention; Denver, CO; September 2009.
- **Peters T.** My kidney transplant failed – now what? Oral presentation at: AAKP 36<sup>th</sup> Annual Convention; Denver, CO; September 2009.
- **Qureshi I.** Effect of regional anesthesia on recurrence in completely resected, stage IA non-small cell lung cancer patients. Poster presented at: Western Thoracic Surgical Association 35th Annual Meeting; Fairmont Banff Springs, Banff, AB Canada; June 2009.
- **Peters T.** Transplant news. Oral presentation at: Sixth Annual Renal Professional Forum; Ft. Lauderdale, FL; June 2009.
- **Haan C,** Karibika C, Nzanira D. Seeking international accreditation for a developing system. Oral presentation at: 5th Global Forum in Cardiology and Cardiac Surgery, University Hospital of Geneva; Geneva, Switzerland; June 2009.
- **Haan C,** Mucumbitsi J. Practice standards and guideline development in a redeveloping healthcare system. Poster presented at: 5th Global Forum in Cardiology and Cardiac Surgery, University Hospital of Geneva; Geneva, Switzerland; June 2009.
- **Naseri I.** Endoscopic anatomy and approaches to the sphenoid sinus and pituitary fossa. Poster presented at: Advanced Sinus Surgery Course –University of Toronto; Toronto, Ontario, Canada; June 2009.
- **Nussbaum M.** 2009 SSAT controversies in GI surgery debate 1: is bowel prep necessary for lower intestinal surgery? Moderator and frame the issue at: 50th Annual Meeting of the SSAT; Chicago, IL; June 2009.
- **Tepas J.** Timing of surgical intervention in NEC can be determined by trajectory of metabolic derangement. Oral presentation at: 56th Annual Congress of the British Association of Pediatric Surgeons; Graz, Austria; June 2009.
- **Tepas J.** Kiwanis pediatric trauma symposium. Oral presentation at: 40th Annual Meeting of the American Pediatric Surgical Association; Fajardo, Puerto Rico; May 2009.
- **McNab A,** Hughes B, Goyal A, et al. The effect of cataract surgery on intraocular pressures in patients with and without glaucoma. Poster presented at: The Association for Research in Vision and Ophthalmology Annual Meeting; Ft. Lauderdale, FL; May 2009.
- Mishra P, Signori C, **McNab A,** Goyal P. Vancomycin as a cause of immune mediated thrombocytopenia. Poster presented at: Michigan Chapter of American College of Physicians Associates' Meeting; Sterling Heights, MI; May 2009.
- **Qureshi I.** Minimally invasive (VATS) resection of stage 1 and 2 thymoma: comparison with open resection. Poster presented at: American Association of Thoracic Surgeons 89th Annual Meeting; Boston, MA; May 2009.
- **Garcia A, Frykberg E.** Uterine fibroid incarcerated within an umbilical hernia in a female 29 weeks of gestation: a case report. Poster presented at: University of Florida College of Medicine-Jacksonville Research Day; Jacksonville, FL; May 2009.
- **D'Agostino H.** Protons safely allow coverage of high-risk nodes for patients with regionally advanced non-small-cell lung cancer. Poster presented at: The 91st Annual Meeting of the American Radium Society; Vancouver, BC, Canada; April 2009.

- Goldwasser, **Costa J.** A novel technique for repair of anterior prolapse with the use of synthetic mesh. Oral presentation at: Southeastern Section of the American Urological Association; Mobile, AL; March 2009.
- **Burns J.** Management of chest trauma: the dirty dozen. Poster presented at: The Ohio University College of Osteopathic Medicine Centers for Osteopathic Research and Education (CORE) Residency Programs Advisory Committee (RPAC) Educational Day; Columbus, OH; March 2009.
- **Huffman J.** Organ donation after cardiac death (DCD). Oral presentation at: The Northeast Florida Lifesavers Collaborative Meeting; Jacksonville, FL; March 2009.
- **Naseri I.** Diseases of the maxillary sinus. Oral presentation at: The University of Toronto School of Dentistry; Toronto, Ontario, Canada; February 2009.
- **Frykberg E.** Disaster challenges and opportunities; orthopedic and vascular trauma; triage principles and practice; global trauma systems: USA; debate: nonoperative management – Has the pendulum swung too far? Oral presentation at: Austrama 2009 Symposium; Sydney, Australia; February 2009.
- **Huffman J.** The impact of intimate partner violence on women living with HIV/AIDS. Poster presented at: Northeast Florida Women's AIDS conference; Jacksonville, FL; February 2009.
- **Kerwin A, Schinco M, Tepas J.** Florida's trauma surgeons: a vanishing breed. Poster presented at: Annual Scientific Meeting of the Southeastern Surgical Congress; Atlanta, GA; February 2009.
- **Kerwin A, Burns J, Schinco M, Pappas P, Lottenberg L.** Effectiveness of red light cameras. Poster presented at: 22nd Annual Scientific Assembly of The Eastern Association for the Surgery of Trauma; Orlando, FL; January 2009.
- **Edwards F.** Utilizing clinical registry data and health plan data to measure and promote high value healthcare. The Brookings Institute: Co-Principal Investigator; 2009- 2010. \$275,000.
- **Edwards F.** Comparative Effectiveness of Percutaneous Catheter Intervention and Coronary Artery Bypass. NIH Grand Opportunity grant: Principal Investigator 2009– 2011. Grant Number: 1 RC2 HL101489-01. \$4,026,764.

## 2008

- **Nussbaum M.** American Board of Surgery Maintenance Certification -what is it and what does it mean? Poster presented at: American Society of General Surgeons Lecture at the 25th Annual Albert Einstein College of Medicine Controversies, Problems, and Techniques in Surgery; New York, NY; December 2008.
- **Huffman J.** Intimate partner violence: the impact on children. Poster presented at: The Region IV Student National Medical Association; Jacksonville, FL; November 2008.
- **Naseri I.** Endoscopic surgery of the skull base. Oral presentation at: The University of Louisville Division of Otolaryngology Head and Neck Surgery; Louisville, KY; November 2008.
- **Peters T.** Advances & ethics in transplantation. Oral presentation at: Network 8 Annual Meeting; Nashville, TN; October 2008.

- **D'Agostino H.** Proton radiotherapy offers reduced bone marrow and normal lung exposure for patients receiving dose escalated radiotherapy with concomitant chemotherapy for regionally advanced non-small cell lung cancer. Poster presented at: The 3rd Latin American Conference on Lung Cancer; Vina del Mar, Chile; October 2008.
- **Chesire D.** High school sexual harassment: an integrated model. Oral presentation at: 13th International Conference on Violence, Abuse & Trauma; San Diego, CA; September 2008.
- **Peters T,** Danovich G, Darling R, Falsey T. The pros and cons of financial incentives to help increase organ donation in the United States. Poster presented at: TRIO Symposium; St. Louis, MO; September 2008.
- **Peters T.** High risk renal patients. Poster presented at: 17th Annual ITNS Symposium. St. Louis, MO; September 2008.
- **Kerwin A,** Topolidas D, **Tepas J,** **Schincio M,** Vitarbo E. 23.4% hypertonic saline solution is more effective than mannitol for reduction of intracranial hypertension in children with severe traumatic brain injury. Poster presented at: 67th Annual Meeting of the American Association for the Surgery of Trauma; Maui, HI; September 2008.
- **Tepas J.** Application of international classification injury severity score (ICISS) to national surgical quality improvement program (NSQIP) defines pediatric trauma performance standards and drives performance improvement. Oral presentation at: the American Association for the Surgery of Trauma; Maui, HI; September 2008.
- **Tepas J.** The golden hour begets the golden day: the effect of delay in rehabilitation on outcome of severe traumatic brain injury. Oral presentation at: British Association of Pediatric Surgeons; Salamanca, Spain; July 2008.
- Friedman A, **Peters T.** Kidney: deceased donors. Moderators at: American Transplant Congress; Toronto, Canada; June 2008.
- **Peters T.** All you wanted to know about kidney transplants. Oral presentations at: Association of Surgical Technologists 2008 Annual Conference; Orlando, FL; May 2008.
- **Tepas J.** Surgical quality improvement: a simplified method to apply national standards to pediatric trauma care. Oral presentation at: American Pediatric Surgical Association; Phoenix, AZ; May 2008.
- **Costa J,** Goldwasser. Management of graft complications in patients with history of mesh repair for pelvic organ prolapse. Oral presentation at: American Urological Association; Orlando, FL; May 2008.
- **Chesire D,** Chalk K, Miller S. Self-esteem, resiliency, and the child with Asperger's Syndrome. Poster presented at: 35th Annual Meeting of the Florida Association of School Psychologists; Orlando, FL; May 2008.
- Scott A, Said R, **Chesire D.** Preparing for your school psychology internship. Oral presentation at: 35th Annual Meeting of the Florida Association of School Psychologists; Orlando, FL; May 2008.
- Buckley V, **Chesire D,** Said R. A model for the school district's role in meeting the needs of medically involved children. Oral presentation at: 35th Annual Meeting of the Florida Association of School Psychologists; Orlando, FL; May 2008.
- **Frykberg E.** Overview of disaster principles. Oral presentation at: Disaster Management and Emergency Preparedness Course; San Diego, CA; May 2008.

- **Frykberg E.** Terrorist bombings: a universal model of disaster and mass casualty management. Poster presented at: Virginia Emergency Management Forum; Williamsburg, VA; May 2008.
- **Frykberg E.** Overview, hospital, blast injuries. Oral presentation at: Disaster Management and Emergency Preparedness Course, Halifax Medical Center; Daytona Beach, FL; April 2008.
- **Frykberg E.** Introduction, overview, hospital, blast, chem/rad issues. Oral presentation at: Disaster Management and Emergency Preparedness Course; Orlando, FL; April 2008.
- **Dennis J.** Penetrating neck injuries from improvised explosives devices (IED), the Landstuhl experience. Poster presented at: Florida Vascular Society; Ponte Vedra, FL; April 2008.
- **Edwards F.** STS database – current trends in cardiothoracic surgery. Poster presented at: Annual Meeting of the Florida Society of Thoracic & Cardiovascular Surgeons; Palm Beach Gardens, FL; February 2008.
- Rottman K, Tan P, **Schinco M**, **Kerwin A.** Characterizations of admission blood glucose to mortality in critically-ill patients. Poster presented at: 37th Annual Congress of the Society of Critical Care Medicine; Honolulu, HI; February 2008.
- Tan P, Dean H, Kinsey A, **Schinco M.** Compare the use of 23.4% sodium chloride (HTS) and mannitol for intracranial pressure (ICP) following traumatic brain injury. Poster presented at: 37th Annual Congress of the Society of Critical Care Medicine; Honolulu, HI; February 2008.
- **Peters T.** Building and maintaining a referral base. Poster presented at: ASTS Pre-Meeting Symposium; Marco Island, FL; January 2008.
- **Peters T.** Give me your tired, your poor: framing the problem. Poster presented at: The 8th Annual State of the Art Winter Symposium of the ASTS; Marco Island, FL; January 2008.
